HELIX 3026IMP

HexArmor®

Innovation intertwined with safety. That's the DNA of the Helix® Series. The high-comfort Helix® 3026IMP is constructed with a strong yet extremely dexterous 21-gauge HPPE blend shell with 360° level A7 cut resistance.

An ultra-thin foam nitrile palm coating offers increased grip in oily or dry applications, while the back-of-hand sewn-on IR-X® Impact Exoskeleton™ with high-flex design provides level 2 protection.

Attributes

Shell:		21G HPPE/ metal fiber
Coating:	Material:	Foam nitrile
	Finish:	Textured, slightly tacky
	Weight:	Light
	Breathability:	Fair
	Flexibility:	Good
	Grip:	Dry, oil, or wet
Sizes:		5/XXS through 12/3XL

Product features

REACH COMPLIANT

- 21-gauge HPPE and metal fiber blend shell
- Ultra-thin foam nitrile palm coating provides superior grip
- Sewn-on back-of-hand IR-X® Impact Exoskeleton™ with high-flex design
- Reinforced thumb saddle
- Touchscreen capabilities
- Fiberglass-free
- Elastic knit wrist helps prevent dirt and debris from entering the glove
- Ultimate dexterity and tactility
- Seamless construction for enhanced comfort and flexibility
- REACH compliant for being skin-safe and void of harsh chemicals
- Launderable for extended life
- Vend-packed
